Fire Safety

Fundamentals | Safety and Infection Control

REMEMBER IT AS

RACE, then PASS

- **R - Rescue**
  Move clients in immediate danger.
- **A - Alarm**
  Activate the alarm and call for help.
- **C - Contain**
  Close doors and windows to confine the fire.
- **E - Extinguish / Evacuate**
  Use the extinguisher if the fire is small, or evacuate.
- **PASS**
  Pull the pin, Aim at the base, Squeeze the handle, Sweep side to side.

NURSE TIP

Rescue always comes first.
