What the RN Cannot Delegate

Management of Care | Assignment and Delegation

REMEMBER IT AS

You can't delegate what you EAT

- **E - Evaluate**
  Evaluating a client's response stays with the RN.
- **A - Assess**
  Initial and ongoing assessment stays with the RN.
- **T - Teach**
  Client teaching stays with the RN.
- **+ Unstable clients**
  Assign unstable or unpredictable clients to the RN.

NURSE TIP

Stable, routine, predictable tasks can go to assistive personnel.
